

the ONE about Heaven

by Guru Mani H

I'm on my way to heaven,
there really is no doubt;
I've been to church and said my prayers,
so God won't leave me out.

I'm on my way to heaven,
of that you can be sure;
throughout my life I've done my best,
so who can ask for more?

I'm on my way to heaven,
that place beyond the deep;
I'd like to think I'm good enough,
to make that final leap.

I'm on my way to heaven,
if such a place is there;
but if I am to tell the truth,
I really just don't care.

I'm on my way to heaven,
it's called a better place;
if God Most High should keep me out,
it would be a disgrace.

I'm on my way to heaven,
was baptized as a child;

though in the many years since then,
my life has been quite wild.

I'm on my way to heaven,
'cos one thing I am sure;
compared with the alternative,
I sure like this place more.

I'm on my way to heaven,
though have this nagging doubt;
as singing with angelic choir,
would really freak me out.

I'm on my way to heaven,
or that's what I supposed;
but on the day my ticket came,
I found the door was closed.
